

Balby Central Primary School

Parental Permission & Regular Visit Consent Form – issued September 2016

We often take **photographs/digital recordings** of the children at school, these may be as a **record** of their work, to **celebrate** an event or as **memories** of a school visit etc. The images are only ever reproduced to showcase the children’s participation in schools achievements and publicise their successes. Occasionally, newspaper publications may wish to publish photographs of school events or visiting dignitaries, which your child may be involved with. These photographs may be used in our printed publications or be used on our website, facebook and very occasionally they may even make local or national TV.

In accordance with the Data Protection Act of 1988 we need **parental permission** before your child can be photographed for these purposes. Please answer the statements below relating to photographs and digital recording to indicate your preference then sign and return this form to school.

Name of child **Class**

Please tick ✓ giving your permission for us to photograph/digitally record your child and use the images;

- As identification in the school database
(taken annually by the school photographer on school photograph day)
- As part of displays within school
- In school publications
- On our website
- In national or local newspapers

Throughout your child’s time a Balby Central they will be involved in many exciting activities linked to the curriculum topics they study. All activities are carefully risk assessed and supervised and have direct benefits for the children taking part.

So that we can plan these activities and be sure you are happy for your child to be involved in them, please tick ✓ the boxes below, then **sign and return to the form to school**. We will inform parents in advance when activities are taking place but will refer to this consent to allow your child’s participation
